<p>REMINDER One Day Memberships only apply if the participant is not an ANNUAL Tribe member.</p> <p>What if my race isn't a triathlon?</p> <ul style="list-style-type: none"> • Duathlon ODM to be treated the same as triathlon's e.g. sprint duathlon has the same ODM as a Sprint Triathlon. • Aquathlon ODM to be 'rounded down' as a rule of thumb. E.g. an aquathlon which is ITU distance or very similar has sprint ODM rate. A short aquathlon (less than 750m swim and or 5km run) has no ODM as its an 'entry level' race. • Aquabike ODM to be 'rounded down' as a rule of thumb. E.g. an aquabike which is ITU distance or very similar has a mid-distance ODM rate. A short aquabike e.g. between sprint and standard distance swim and bike legs has an ODM the same as a sprint triathlon. <p>What about team races? Only one person in the team requires ODM (or TRIBE membership).</p>	

How does this compare with Private Event Providers? The same principles outlined above apply to all Tri NZ Endorsed and Sanctioned Events- regardless of the operator.
